DETAILED ACTION

This action is responsive to the amendment received on November 25, 2005.

Claims 1-7, 9-22, and 23-38 were pending.

Claims 1-7, 9-22, and 23-38 are allowed.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach neither singly nor in combination, the claimed limitations of "generating a pooled packet index for the pooled packet, the pooled packet index indicating a location within the pooled packet of each of the at least two packets" as stated in claims 1, 12, 16, 27, 31, 32, 33, and 34. These limitations, in conjunction with other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record. A review of claims 1-7, 9-22, and 23-38, indicates that claims 1-7, 9-22, and 23-38 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
